New Classes for Mum & Bub!

Babygym is a parent and child gymnastics program for children aged 3-12 months and is designed to encourage the holistic development of children.

Babygym provides a strong foundation for their critical early years. This period of your child's life will influence their movement abilities later.

The development areas the program focuses on are Brain Development, Body Awareness, Social Interaction, Vestibular Stimulation and Balance, Core Strength, Fine Motor Skills and Sensory System.
